Tamworth Town Warrant 1992

The State of New Hampshire

To the inhabitants of the Town of Tamworth, County of Carroll in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Kenneth A. Brett School in said Tamworth on Tuesday, the tenth of March, next at Ten of the clock in the forenoon, to act upon the following subjects:

ARTICLE No. 1: To choose all necessary Town Officers for the year ensuing.

The meeting will be in two parts.

1. In order that the preceding article may be legally voted on by Non-Partisan ballot, you are hereby notified that the polls will be open for this purpose at 10:00 of the clock on said Tuesday, March 10th. Polls shall not close earlier than 7:00 p.m.

ARTICLE No. 2: To see what time the polls shall be closed. Following action on Article 2 the meeting will be recessed until 7:00 p.m. on March 11th next at the Kenneth A. Brett School to see what sums of money the Town will vote to raise and appropriate for the following purposes and to transact any other business that may legally come before this meeting.

ARTICLE No. 54: To see if the Town will vote to raise and appropriate \$5,700.00 to purchase a new broom for the Highway Department.

****This article submitted by petition.****

ARTICLE No. 55: To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to enable the Tamworth Planning Board to work on updating the 1980 Master Plan.

ARTICLE No. 56: To see if the Town shall permit the Cook Memorial Library to retain all money it receives from its income-generating equipment to be used for general repairs and upgrading and for the purchase of books, supplies and income-generating equipment.

****This article submitted by petition.****

ARTICLE No. 57: To see if the Town will vote to authorize the Cook Library Trustees to apply for, and accept and expend funds from the State, Federal, or any other governmental unit; or any private source which might become available during the year in accordance with RSA 202-A:4-C.

ARTICLE No. 58: To see if the Town will vote for a change of purpose of funds remaining in the Capital Reserve account for the furnace for the Cook Memorial Library. Said funds to be used for painting exterior of library building.

****This article submitted by petition.****

ARTICLE No. 59: To see if the Town will vote to raise and appropriate the sum of one thousand six hundred and sixteen dollars and ninety-eight cents (\$1,616.98) for painting the exterior of the library building (if and when needed) and to authorize the Selectmen to withdraw one thousand six hundred and sixteen dollars and ninety-eight cents (\$1,616.98) from the Capital Reserve Fund previously changed by vote to that purpose. (Amount is the balance of the CRF.)

****This article submitted by petition.****

ARTICLE No. 60: To see if the Town will authorize and direct the Board of Selectmen to settle civil litigation entitled **Bickford, et al. v. Town of Tamworth** pending in Carroll County Superior Court No. C-86-165, and to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000.00) for such purpose (said \$30,000.00 is already maintained in an interest-bearing escrow account, having been originally established in 1986).

ARTICLE No. 61: To see if the Town will vote to accept a piece of land in Tamworth Village (approx. 1 acre) next to the church. This land would be a gift from Dr. Edwin Remick to be used as a park and subject to the restrictions of no vehicles or buildings on the land.

ARTICLE No. 62: To see if the Town will vote to authorize the Board of Selectmen to accept donations of personal property in accordance with RSA 31:95-E.

ARTICLE No. 63: To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend federal and State grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money.

ARTICLE No. 64: To see if the Town will vote (in accordance with RSA 80:80) to authorize the Selectmen to dispose of any property acquired by Tax Collector's deeds as justice may require.

ARTICLE No. 65: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Taxes.

ARTICLE No. 66: To transact any other business that may legally come before the meeting.

Given under our hand this 20th day of February, 1992.

Board of Selectmen
Tamworth, N.H.

Report of Tamworth Fire Department

The Tamworth Fire Department had 74 emergency runs in 1991.

2	Dump Fires	0	Structure Fires
6	Chimney Fires	0	Standby in Station
3	Grass Fires	3	Smoke Investigations
4	Brush Fires	1	Power Line Fire
3	Vehicle Fires	0	Wash Downs
13	Mutual Aid Runs	2	Others
1	Electrical Fire	22	Vehicle Accidents
2	Propane Gas Leaks	2	Power Line Downs
1	Carry Out	0	Lightning Strikes
9	False Alarms		

Members put in over 1,150 hours of training this year. Four members took the Certified Firefighter Level I course, one took the Firefighter Level II course, one took the Firefighter Level III course and eight took Hazardous Materials Awareness. Several firefighters took several other one-day courses. Two members went to Emmitsburg, Maryland for courses. One took a Hazardous Materials Management course at the Emergency Management Institute and the other took a Fire Protection Master Plan course at the National Fire Academy.

Please remember when you clean out your stove or fireplace to put the ashes in a non-combustible container and do not leave them in a building. If you take them to the landfill, place them in the brush pit and not the garbage pit. This is in case they are still hot, they won't start a fire in the wrong place.

You may have read in the paper that the Ossipee Valley Mutual Aid Association and the Carroll County Sheriff joined in funding a communications study for the County by Ram Communications Consultants, Inc. The final report was received in October and we are now in the next phase of acquiring leases for new transmitter sites. When the recommendations are fully implemented, hopefully within three years, Tamworth and the rest of the mutual aid will have much better communications. With the help of the Tamworth Foundation we are in the process of updating the mobile radios in the fire trucks.

We hope everyone will continue to be careful with fire, use electrical cords that are in good condition, replace batteries in smoke detectors once a year and have an escape plan in case of fire.

Signed,
David A. Bowles, Chief

Report of Town Forest Fire Warden

Weather conditions have been good for the lack of widespread field and woods fires. Only nine were noted and only one went over three acres and the others were from the size of a brush pile on one-quarter and half acre burns. 135 permits were issued and each person was questioned as to location, soil conditions, surroundings such as trees, brush, and buildings. Many sights were visited to be sure they were safe. All fires were to be put out when left unattended. Fire laws are posted at stores and fire stations.

Charles W. Remick
Warden

Tamworth Rescue Squad

Annual Report

We had a wish come true, the number of runs for 1991 were down a little from the year before. Our membership dropped during the middle of the year, but it has come back up to a total of 13 at this date. We are always looking for new people.

Last year we did not spend all of our appropriation which has been left in the general fund.

The Selectmen have put in an article which will return the sale price of \$3000.00 from the old truck to the squad to be used to purchase new equipment.

Last year's statistics:

Total Runs	138
Average response time	3.6 Minutes
Average members responding	4.1
Average run length	50.1 Minutes

Peter Bergstrom, Capt.

Tamworth Planning Board

Annual Report 1991

In 1991 the Planning Board met 37 Wednesday nights. Twelve of these were regularly scheduled meetings required by law whereby subdivision applications and wetlands ordinance waivers were heard. Twenty work sessions and five public hearings were also held. The Board conducted nine on-site reviews for subdivisions and wetlands waiver requests. Total projects reviewed included five new subdivision requests, eight on-going subdivisions, five boundary line adjustments and four septic waivers to the Wetlands Ordinance.

The length of the average meeting was more than 2.5 hours with approximately 5.6 Planning Board Members in attendance. At Planning Board meetings alone, 505 man hours of volunteer time was spent. Site investigations totaled 72 hours and educational seminars and workshops totaled 77 hours. Preparation of the Flood Plain Development Ordinance took up an additional 70 hours. The Planning Board Clerk spent 403 hours at her job. Altogether, 744 hours of volunteer time was spent doing Planning Board business.

WETLANDS ORDINANCE - The Planning Board and the Conservation Commission are working together to develop procedures and guidelines for reviewing waiver requests to the Wetlands Ordinance.

FLOOD PLAIN DEVELOPMENT ORDINANCE - The Planning Board felt this ordinance was important to the Town should a natural disaster occur. Without this ordinance, Federal disaster relief funds most likely would not be available. The Ordinance requires that a building permit be filed with the Town for any development in special flood hazard areas. Maps are on file in the Town office so that people may determine if they are in such an area.

GRAVEL EXCAVATION - Effective August 24, 1991, State Law RSA 155E requires all gravel pits, in order to maintain their grandfathered status, to file certain information with the Planning Board. To be sure of compliance with the law, the Planning Board published notices of the deadline and received pit owners information.

PROCEDURES AND SUBDIVISION REGULATIONS - Revising and updating the subdivision regulations is an ongoing process which the Board spends considerable time. We are trying to clarify the subdivision regulations and simplify the application process. To make important information more available, we are also updating our filing systems.

EDUCATIONAL - Planning Board members attended many workshops and seminars in order to keep abreast of ever changing state planning laws and issues. Seminars attended include: 4 Law Lecture Series for Planning Boards; 4 seminars sponsored by the Municipal Association; 2 seminars sponsored by the Lakes Region Planning Commission; 2 workshops conducted by the Carroll County Soil Conservation District regarding gravel excavating; a Wetlands Workshop sponsored by a multi-agency task force and a workshop on new legislation regarding Shoreline Protection. Cost of this education totaled \$220.00. Meals and travel expenses were borne by individual members.

MASTER PLAN - The Planning Board has researched costs and methods of updating the 1980 Tamworth Master Plan. This update is an important job which requires participation from residents and professional planners alike. The end product will result in an essential tool for the Town to obtain its goals. This year we plan to conduct a new community self survey to determine what the residents of Tamworth want their town to be. From this information, we will derive a new set of goals and objectives for the future growth of the town. It is very important that we hear from YOU, as it is YOUR town. Please participate in the upcoming process. This information will give the present and future Planning Boards guidelines as to what YOU want in any land use ordinance.

As Chairman of the Planning Board I would like to take this opportunity to thank the Board Members for their hard work and dedication over the past year. A special thanks goes to our clerk for her hard work.

Respectfully submitted,
C. Scott Aspinall, Chairman

Board Members:

C. Scott Aspinall, Chairman
Nat Steele, Vice Chairman
Walter Upson, Secretary
Will Farnum, Treasurer
William McCarthy, Selectmen's Representative
Paul Henle
Sam Newsom

Ken Cargill

Tamworth Conservation Commission

Report For 1991

Work load of Tamworth Conservation Commission (TCC) has been steadily increasing for two reasons:

SEPTICS - The first reason is a relatively new state law which requires review by the Selectmen of all applications for septic systems before the State can grant a permit. The Planning Board has now been asked to help in the review of all that involve wetlands or which request a variance from the town Wetlands Ordinance; the Planning Board in turn asks TCC for technical advice. The four-member Surface and Ground Water Committee of TCC does on site inspection of these cases. This work with the Planning Board has also involved time-consuming discussions between the two agencies on how to apply the ordinance to septic, including two joint meetings of the boards. TCC has drafted guidelines, subject to Planning Board approval, but there is still more work to be done by both agencies.

EASEMENT MONITORING - Secondly, TCC has begun a major project, headed up by Commission member Chris Conrod, of setting up a Data Base on easements held by the Town to be monitored by TCC. There have been workshops on monitoring sponsored by the Society for the Protection of N.H. Forests in cooperation with a national organization. State and federal standards have been set up. Each easement is to have its own notebook documenting it with photos and maps at the time it was acquired, monitoring reports to be included as they are made. This will ensure that the intent of the landowner in setting up the easement is realized. There will be considerable cost as well as time associated with setting up the data base for each easement, of which the Town now holds twelve. Two major easements have been acquired within the last two years, one granted by Joan Cave, to protect the area around Great Hill Pond, and the second on the Perkins land along the Bearcamp River, purchased with funding from the state Land Conservation Investment Program (LCIP) fund, with Town match provided by the Cave easement. The Perkins easement will require more ongoing work by TCC than some of the others as TCC will have siting and architectural design authority on any buildings on the easement area needed by the Community School which has purchased the land, in order to ensure conservation values are preserved.

As the 5-year period for which LCIP was set up is now over, so is the work of Tamworth Land Protection Committee, established to administer the Town's part in the program, finished. Land protection will continue to be done by TCC, as in the past, and there will be no separate report of the Protection

Committee in this Town Report. Committee work in 1991 involved completing the complex arrangements for the Perkins easement, a project which was coupled with purchase of an easement from the Aspinalls, along Mill Brook. Deeds for the two easements were just signed and registered in December, culminating two years work on them.

DREDGE AND FILL - There have been thirteen applications for dredge and fill, with site visits by the commission and reports to the state Wetlands Board, which has permit authority. Also there have been several minimum impact applications for dredge and fill but no further report needed as they qualified for minimum, rather than major, impact so no permit was needed.

VIOLATIONS AND COMPLAINTS come to TCC which must check facts and report to the proper state agency if needed. Eight such cases have been handled, two of dredge and fill without a state permit, three of violations of the town wetlands ordinance and one of exceeding terms granted in the permit from the Wetlands Board. Two of these cases had been ongoing for several years, with various violations by the same two individuals.

WETLANDS ORDINANCE REVISION - The original ordinance passed in 1980 needed updating. TCC members wrote the revised ordinance, after several conferences with the Planning Board, which held a public hearing and brought it for vote at Town Meeting, at which it was accepted by the Town. Since the commission wrote the revised ordinance, but the Planning Board must apply it, there have been several conferences as to interpretation in regard to septics as referred to above under SEPTICS.

TCC has been involved in the Flood Plain Ordinance, passed in 1991, to some extent as frequently dredge and fill applications in wetlands are in the Flood Plain Zone and therefore require Wetlands Board approval as well as compliance with the Flood Plain Ordinance. At the request of the Selectmen for an appointee from TCC, Ned Beecher has been named a member of the Flood Plain Board of Adjustment.

TOWN ENVIRONMENTAL ORDINANCES - These are available at the Town Clerk's Office for reference, or copies may be purchased. People proposing changes to their property involving Wetlands, Flood Plain, Subdivision, Gravel and Excavation, use of unvented space heaters, Roads or Billboards, should consult the appropriate ordinance to see what is required. There are also ordinances in regard to use of the Dump, re: separation of waste, hazardous waste and radioactive waste.

In connection with the Dump, TCC organized a recycling committee which has done excellent work - studied the situation and reported to the Selectmen with the result that more materials must now be separated for recycling. The

Recycling Committee staged a fine event at the Dump in May to initiate the new recycling plan, complete with Tamworth Band and free ice cream cones, along with formal recognition of the part TCC played in initiating it. This committee work is ongoing.

Household Hazardous Waste disposal is carried out annually, by a project of Lakes Region Planning Commission co-sponsored by 17 towns, of which Tamworth is one. There are several collection points where once a year taxpayers of these towns may bring this type of waste for proper disposal. 1991 was the third year in which Tamworth has participated in this program.

TRAILS - Ed Ambrose purchased for \$2000 the right of way originally deeded the Town across his land on the north side of Jackman Pond. The money has now been received and the sale registered. Work is underway to get a permit to put a board walk across one tip of the marsh in order to complete the trail around the pond. At Black Spruce Bogs the overgrown part of the trail around the smaller bog has now been cleared.

GREAT HILL TOWER - The floor of the observation area has been replaced. Next to receive attention - the steps up to the tower.

MEMBERSHIP - A new member, Ned Beecher, has been appointed to TCC to replace Dana Steele, who resigned after 11 years service. Peg King and Betty Steele have now become alternates and former alternates, John Mersfelder and Chris Conrod, have been appointed full members. In April John Mersfelder was elected chairman.

OTHER ACTIVITY - Peter Cooperdock of TCC conducted a workshop on evaluation of wetlands at Jackman Pond, for Conservation Commission and Planning Board members from a number of towns. Three members of the commission attended the annual meeting of the NH Association of Conservation Commissions and reported back to the Commission. TCC members attended a program at Runnells Hall in June for landowners with deeryards on their property and for the general public, in which the commission had cooperated with Cooperative Extension Service and NH Fish and Game. For the USGS Ground Water Survey borings have been done at several places on Town land managed by TCC. A field trip on Jackman Pond North trail was led by Chris Conrod and Peter Cooperdock as part of an Earth Day celebration in April. Fish and Game, in conjunction with Data Processing at U.N.H., has done a survey of bear habitat in Tamworth using satellite photos. TCC has checked and reported on 21 sites involved and in return will receive results of the survey.

Tamworth Community Nurse Association 1991

Visits to adults	2,290
Visits to children	84
	<hr/>
Total Visits	2,374
Admissions and readmissions	88
Discharges	42
Expirations	7
Patient visits to office	510
Patient visits in the home	1,864
Social Service visits	224
Number of patients using service	385
Number of school children in Dental Program	52

AGENCY INFORMATION

Tamworth Community Nurse Association was inspected on July 16 by Ann Lance, RN, of New Hampshire Department of Public Health to receive its annual renewal of license as a Community Health Agency. Policies and procedures, patient records, documentation and implementation of services were examined, reviewed and found to be in compliance with state regulations for home care.

Dr. John Patten assumed the role of medical advisor to Tamworth Community Nurse Association when Dr. Melvin Meyer left the area this past year. As Medical Advisor, Dr. Patten annually reviewed agency medical procedures and protocols and participates in Agency Health Screenings and Clinics. We acknowledge and appreciate Dr. Patten's efforts and contributions to Tamworth Community Nurse Association.

Heritage Home Health of Meredith has continued to offer supplemental services needed by Tamworth residents such as home health aides and physical, occupational and speech therapy. In addition, Heritage has provided "back-up" Registered Nurses for skilled nursing care visits which Tamworth Community Nurse Association was unable to make. We are grateful to Heritage for its continued support and cooperation with T.C.N.A. Visiting

Nurse Services of Northern Carroll County have also supplemented T.C.N.A. services as has the Therapy Department of Memorial Hospital in North Conway. Carroll County Home and Health Care is another agency which has provided valuable assistance to many elders and physically disabled Tamworth residents through certified aides and homemakers working in the home. The foremost objective of Tamworth Community Nurse Association is that of promoting home health care which results in the best possible quality, safety and comfortability of the patient. This can only result, of course, when there is continual interaction and communication between T.C.N.A., the patient, the physician and the involved family members as well as all integrated services.

AGENCY FUNCTIONS/PROGRAMS

The Tamworth Community Nurse Association Board of Directors consists of ten volunteers representing Tamworth, Chocorua, Wonalancet and South Tamworth, plus 11 others on the Committee of Friends of Tamworth Community Nurse Association (formally known as the Summer Board). The board meets monthly to discuss agency services, clinics, programs and budget matters. Through their dedication, insight and vision, T.C.N.A. will be steered into and beyond the 1990's.

T.C.N.A. is very pleased and fortunate to have acquired the skills of Barbara Anderson, R.N., as our Associate Nurse. Barbara currently works on a part-time basis three days a week.

On the last Wednesday of each month, T.C.N.A. holds a Blood Pressure Clinic in our office. Open to the public and without charge, this clinic has been attended by almost 300 people throughout the year. Blood pressures are also screened monthly at the Tamworth Congregate Meal Site.

Semi-annual cholesterol clinics were held again this year and again were open to the general public. These screenings were conducted, for a nominal fee, by the laboratory technicians from Memorial Hospital.

Our Spring Adult Health Screening (co-sponsored with the Ossipee Valley Lioness) proved to be highly successful this year. Over \$200.00 of medical screenings were offered totally without charge. Over 200 people participated in this event.

T.C.N.A. administered over 215 flu shots at our clinic in November. Many have already been spared the severity of the flu afforded thru this preventative measure.

In October, T.C.N.A. co-sponsored (with Memorial Hospital) a seminar for AIDS Awareness. 150 participants gathered from New Hampshire, Maine and Vermont for this conference, which was the first of its kind held in the North Country.

Tamworth Community Nurse Association has sponsored several programs throughout the year to address pertinent issues such as insurance coverage, retirement and estate planning, living wills and durable power of attorney for health care.

The Dental Program is another valuable service afforded students at the Brett School. This year 52 children participated in this program. The contribution and expertise of Dr. Robert LeCroy of Fryeburg has been greatly appreciated.

The Boy Scouts of Tamworth and their leaders deserve great praise for their collection of food this fall. Thanks certainly goes to all who donated food for this effort as well. The 3300 items collected were divided between the Community Food Pantry held at St. Andrew's in the Valley and T.C.N.A. By Christmas all of the food in our office had been distributed to area families and individuals.

T.C.N.A. has worked closely throughout the year with the Community Food Pantry, local clergy and Brett School to assist families and individuals in need of services, recourses and programs available to them.

A simple "THANK YOU" seems highly inadequate to those who contributed to our Christmas effort this year. Your "spirit" enabled over 200 households in Tamworth to realize a bit more Christmas cheer. Over 90 children benefited from this year's program.

June Donovan continues to ably coordinate delivery of the Meals on Wheels Program in Tamworth. This past year almost 30 volunteers have delivered meals prepared by the Ossipee Concerned Citizens to an average of 16 residents 5 days a week.

"Networking" with other agencies, organizations and services is vitally important in successfully addressing the needs of those requiring home care. Monthly meetings have been held throughout the year for update, information exchange, problem solving and discussion of ethical issues facing all of us. Workshops, Seminars and Conferences have also played an important role in this networking process.

Tamworth Community Nurse Association continues to offer office hours five mornings a week, as well as home visits when needed. We continue to provide skilled nursing care services (through physicians instructions) as well as health maintenance monitoring, medical assessments, consultations and educational services as needed.

We are grateful to those who have donated items for our medical supply closet. Wheelchairs, commodes, raised seats, canes, walkers and bath stools have been gratefully borrowed by many Tamworth residents (without charge) during this past year.

The needs and demands for Home Health Care will continue to grow in the 1990's. T.C.N.A. is fortunate to be a part of such a caring and responsive community, whose support and contributions have enabled us to meet the home health care needs for Tamworth since 1921. As we look into the 90's, T.C.N.A. will continue to address the home care needs of the people it serves.

Respectfully Submitted,
Nancy T. Wiggin, R.N.
Director

Animal Control 1991

During 1991 I traveled a total of 990 miles, responded to 155 complaints and impounded 23 dogs. Four dogs were killed on the highways, two dogs had to be euthanized, there were two dog bite cases, one cat bite case, and there were nine Court Requirements.

Most of the dog complaints continue to be complaints about dogs running at large off their owner's properties and therefore becoming a threat to livestock, other domestic animals, and people and also in some instances causing damage to personal property. It is inconsiderate, unfair and illegal to let your dog run loose anywhere other than on your own property. Please be responsible pet owners.

A Rabies Clinic was held on March 30 at the Tamworth Town House. Dr. Tevis Kraft inoculated 25 dogs and 3 cats. Casey and Melinda Heimlich assisted with the paperwork and Melissa Woodward issued 91 dog licenses. A Rabies Clinic will be held this spring. The rabies vaccine is considerably less expensive at the clinic than it is at an office visit at your veterinarian. State law requires a rabies vaccine for your dog and with cases of rabies coming increasingly close to the State of N.H. it is extremely important that you comply with the law for your own protection as well as that of your pet. I would urge you to protect your cats too. Notice of time, date and location of the clinic will be in the local newspaper and also broadcast on WBNC.

Your dog must be licensed at the age of three months and every year thereafter and cannot be licensed without an up-to-date rabies vaccine. Both tags must be affixed to the collar of your dog.

I continue to very much enjoy being your Animal Control Officer and I do try to do my best for you and your animals. I appreciate all the efforts you make to comply with the Town Dog laws. Remember that any complaints I receive are confidential and that the most important issue is the welfare of the animal - which means that your pet must be under your control at all times. As the bumper sticker so accurately states, UNLEASHED IS UNLOVED.

My thanks as always to the Selectmen, Troop E, the Carroll County Sheriff's Office, the Town and State Highway Crews, the Town Clerk and the Town Secretary and this year to the County Attorney. Without the help of all of the above it would be impossible for me to do a good job.

Respectfully submitted,
Joan Phenix
Animal Control Officer
Tamworth Police Department

Cook Memorial Library

Tamworth, New Hampshire 03886

1991 brought us a tremendously busy year. For the first time we went over 10,000 in circulation (10,175) and reached a new peak in attendance of 7,500.

1991 also brought sadness. Bill Mahler, active member and past Chairman of the Library Board of Trustees died suddenly in September of this year. Bill contributed so much to the Board with his love of books and his dedication to the growth of the library. In addition our good friend and volunteer for so many years, Isabel Hoag, died after a valiant battle with her illness. We shall miss not only her cheerful and unstinting help but also her joy of life, her warmth, her wit and intelligence.

A further loss, our Friends of the Library disbanded. While the group had many dues paying members who contributed generously whenever asked, there were only a few who attended meetings and handled the administration. For various reasons, these faithful few felt they could not go on. I can't begin to list the many things the Friends have given to the library over the years but just to mention a few: electric typewriter, copier, computer modem and surge protector, computer desk, card files, file cabinets, paperback shelving, chairs, tables, and on and on and we are still purchasing items with the balance of their money. Perhaps in due time, another group will be formed to carry on their wonderful work for the library.

Again a busy year was made so much easier with the aid of our volunteers -- Martha Sylvia, Bertha Eastwick, Arlene Farnum, Sally Zink, Priscilla Murray, Ellen Eldridge and Ann Webster. My special thanks go to Priscilla Murray and Ellen Eldridge for completing the tedious task of crossing out patrons names on book cards of over 11,000 books. This was necessary in order to comply with state law on confidentiality. We also appreciate the wonderful painting job in the front hall by Sally and Alan Vittum. Thanks go to the Garden Club for the flowers in the window box, to Angie Stearns for her seasonal bouquets of flowers, to Bob Trask and Dick Stearns for their help, to Sally Zink, my assistant, and to Pat Trask, my substitute, for their assistance.

In 1991 we purchased or were given 646 books, received 245 books on Inter-Library loan at the request of individual patrons, borrowed 98 Large Print books for our visually handicapped and received 156 videos from the State for our patrons. We are a member of Bearcamp Libraries Video Association which now owns 121 videos which circulate among eight neighboring libraries. Our library has its own collection of 35 videos.

We thank those who exhibited their art in the hall of our library for the enjoyment of so many people. We participated with the Arts Council of Tamworth in the Rural Arts Program with Carolyn Parrott and the Writer in Residence Program with James Patrick Kelly. We held our annual Book & Bake Sale and sponsored Summer Story Hour which was so ably run by Kidsworth.

Our thanks go to the Tamworth Foundation for their generous contribution for books. We are grateful to those who gave in memory of Esther Mersfelder and William Mahler as well as to the various memorial trusts (Gregg, Bearpaw, Mason, Ulitz, Carter and Finley) all of which enable us to purchase books and at the same time honor the memory of a neighbor and friend.

We have available for our patrons to borrow a movie projector (maintenance fee of \$1), speakers, screen, cassette players, 1966 Tamworth Bicentennial slides, 1976 U.S. Bicentennial slides and oral history tapes. For genealogists, we have a notebook of town vital statistics, a genealogy card file of early Tamworth vital statistics, an alphabetically arranged record of early Tamworth families plus genealogy records of some Tamworth families given to the library by Marian Nickerson. On permanent loan from Tamworth Historical Society and available for library research only are the remaining volumes of the Tamworth Social Library founded by Parson Sam Hidden in 1796.

Local community groups may meet at the Library by reserving with the Librarian and they may submit notices of their activities to be posted on the library bulletin boards. In 1991, 13 organizations met a total of 59 times at the library.

We appreciate gifts of books, paperbacks, magazines, newspapers and monetary donations. Any material we cannot use is placed in our annual book sale. During the year we do have paperbacks and other items for sale and the proceeds go toward library expenses.

Board of Trustees meets on the second Monday of each month at 4:00 P.M. at the library and the public is welcome. Our town is fortunate to have two libraries open to the public:

Monday	6 to 9	Chocorua
Tuesday	10 to 12 & 7 to 9	Cook Memorial Library
Wednesday	1:30 to 5 & 7 to 9	Cook Memorial Library
Thursday	1 to 6	Chocorua
Saturday	1:15 to 4:45	Cook Memorial Library
Sunday	1 to 5	Chocorua

Please join and use your local libraries. We are a center of information, research, reference and leisure reading. Your suggestions and recommendations are welcome for we are continually working to improve the library, its services and collection to fit the needs of our community and its people.

Respectfully submitted,
Jean Ulitz

Fourth of July Family Day 1991

On July 4, 1991, we celebrated our fifth Tamworth Family Day. Begun as part of the Bicentennial of the U.S. Constitution, it has become a much looked forward to annual event. The cooperation of the many local organizations, the K.A. Brett School board and staff and even the weather made the day a wonderful success.

Events started in the village with a parade led this year by two grand marshals. Peg King was honored for her many years of outstanding and distinguished service as one of Tamworth's most respected and admired teachers. Betty Steele was honored for her dedication to The Barnstormers and the League of New Hampshire Carftsmen. As founders of the Tamworth Conservation Commission, they both have continued to serve loyally and faithfully in promoting the preservation, protection and access to the natural resources of Tamworth.

The parade ended at the Brett School where fun and food reigned the rest of the day. After the parade awards were given, the members of the Tamworth Fire Department demonstrated their skills and equipment. Family games, 4-H pony rides, horseshoe tournament and dunk tank entertained everyone during the afternoon.

Once again the Tamworth Family Band performed spirited music during and immediately following the parade. In mid-afternoon the New England Brass Quintet performed rousing music. Storytelling by Ned Beecher and David Stuntz held the younger set spellbound. Later in the afternoon David O'Connor of Portsmouth captivated his audience with street performing activities such as wirewalking and juggling. The audience had even more fun when he involved the kids in his act. After the performance the youngsters were invited to try wirewalking.

Evening festivities got off to a stellar start with a two hour Rock 'N Roll concert by the Curioso Band. Even tiny toddlers got into the act and danced to the lively tempo as did many of their older counterparts. Topping off the evening was a delightful fireworks display which started with an appropriate American flag display.

Being the chairman of the July 4th Family Day Committee these past five years has been a truly great experience and I feel very fortunate to have been working with such a supportive and good natured committee. Each year the members have been diligent in attending the meetings and following through on projects. Once more the Boy Scouts and Cub Scouts came through beautifully in setting up chairs for the day and cleaning up afterward even

though some of the Boy Scouts had to leave on a night trip right after the parade. Special thanks go to the many who have faithfully worked with me to keep things running smoothly on the annual July 4th Family Day.

Respectfully submitted,
Joan A. Casarotto, Chairman

Tamworth Foundation

Tamworth Red Cross Water Safety Program

In 1991, 165 individuals from Preschool age through high school were involved in swimming classes. They were enrolled from the beginner to the Emergency Water Safety level. The registration fees charged non-residents continues to be higher to help fund our program. Tamworth residents pay \$4.00 for an individual and \$10.00 for a family; non-residents pay \$15.00 for an individual and \$25.00 for a family. \$3.00 of each fee goes to the Mt. Washington Valley Red Cross to cover administrative costs.

In 1991, Beverly Hammond, took a leave of absence. For many years, Bev had done the administrative work as well as being a teacher in the program. We sincerely missed her. We hope her job will enable her to join us in 1992. Beverly was able to help us on a couple of occasions and we appreciate her efforts.

Tamworth Swim Program was fortunate to have Ellen Hamilton join our staff in 1991. Her experience in teaching children, made her a welcome and vital part of our program. We look forward to her assistance with the program for many years.

This year we are requesting \$2,800.00 from the Town of Tamworth. We understand the economic constraints for all people in Tamworth, and this request is at the same level as 1991.

The Tamworth Foundation and the Town of Tamworth have continued to be very generous over the years in their support of the Swim Program. We would like to take this opportunity to say a sincere "Thank You." Thank You, also, to our parent volunteers, to Jed Pike for his presentation on CPR, and to the management of the White Lake State Park for the use of their facilities.

Sincerely,
Brenda R. Robinson

The Center of Hope Area Agency for Region XI

Box 1400, Conway, NH 03818 Call 356-6921

January 30, 1992

To the Citizens of Tamworth:

The Board of Directors of The Center of Hope, Inc./Area Agency - Region XI has made the decision not to request financial support on behalf of our transportation program for 1992. This decision is made with acknowledgement of the strong support for our program over the years, as well as the current economy.

The Town of Tamworth has been very generous, helping us to provide transportation to jobs, community services and friends. Our commitment to transportation services continues. We will work to offset the lack of Town funds in 1992 through fund raising and economies in other areas of Agency operation which will not affect services.

We thank you, once again, for your past assistance and hope that any future request for Town support would be considered.

Sincerely,
Peter Blue
Executive Director

Report of the Tamworth Outing Club

Founded over 60 years ago, the Tamworth Outing Club continues to sponsor town recreational traditions in five chief areas: youth ski instruction, youth baseball instruction, square dancing for everyone, the Tamworth Sled Dog Race, and improved, community cross-country skiing opportunities. We thank the scores of volunteers who help us with this work! New members are always welcome.

Stanley B. Coville, President
